Technical Requirements

NO.	Item	description					
1	Electric parameter	Rated voltage:	250V AC	Rated current:	10A	Max power:	2500W
2	Shell	Size:	1U	Material:	aluminium alloy	Color:	BLACK
3	PDU Installation	Horizontal installation					
4	NO.of socket	8*French sockets					
5	Function	Double break switch					
6	Monitoring						
7	Cable	VDE H05VV-F 3G1.5mm² 3M+C14 plug					
8	Cable fixed	A4 cable tie					
9	Inner connect craft	The main line is 1.5 square.					
10	Other	LOGO website version number:	WB-558	LOGO process:	silkprint	Product certification:	
...	Remarks	See the drawing for details Cable length is visible length					

Module installation sequence

See the drawing for details
